Importance: High

Effective immediately, anytime we are running an undercover or plainclothes operation where our personnel are involved, I want to see an Ops Plan at least 24 hours before the op, and preferably 48 hours prior.

Exigent circumstances will require that I be called and notified prior to the operation, and all facets of the operation discussed and vetted as to safety issues.

This includes anything that is outside the normal day to day parameters of how we operate, and would include any plain clothes assignment where patrol officers are used.

This does not include anything that is a "Special Event" scheduled by Lt. Robinson.

Please see me with any questions.
