I was able to find information on the WA Life Pac, which surveys candidates on a variety of medical issues. <http://kinglifepac.blogspot.com/> Lamb completed the survey. He is pro-life, believes life begins at conception, families should be involved in abortion decisions made by minors, in favor of a conscience clause, opposed to recreational marijuana.

All I can find is one quote from his campaign page: "We need to target the high crime areas in the district with surveillance cameras, and with an increased police presence."
